“ My Aunt Ritzy (Nancy) and her baby sister Bette (Bet) Kiser, my mother, were the best friends to each other. Although they were hundreds of miles away from each other they could talk on the phone like they were just next door. My mother and our immediate family loved Aunt Ritzy so much and always missed her and Uncle Doug and Sandy and Pam most especially at holidays. One or the other of them would usually call during our holiday dinners so it would feel like we were not so far apart. We love you Aunt Ritzy and will always keep you in our daily thoughts and our hearts. You are now with all that have gone before, your loving husband Doug, your Mamma Bessie, and all your siblings. Tell all we will see them soon. Family is everything and we love all of our Tenn. family. We love you Sandy! Your cousin Luann

“ Nancy was a wonderful person and a great friend and support for Jane, my mother and my daughter's grandmother. She had the most positive demeanor and brightened the atmosphere wherever she was. Her family---Doug, Sandra and Pam, and pups---was the pinnacle of life to her, and I know she will be greatly missed. Heaven has a new star, for sure.

With sadness at her loss and also much love,
Kaaren and Delaina Andrews

“ Nancy was my mom's best friend and great support for many years. She truly loved her family: Doug, Sandra and Pam (and puppy). I will always remember her bright smile and positive outlook, and her kindness was legion. Just being around her made people feel special. She's now one of the brightest stars in Heaven and I know she will be greatly missed.
