“ Jamela, you and your family are in my thoughts and prayers. I pray God continues to provide you comfort and peace during this journey.

“ This woman was the other mother you needed in your life to give to you straight. Sheron never held back her feelings or sugar coated anything, like some mothers do. Sheron was the person that when she entered the room you there was a good time had by all. The sound of her robust laughter could fill the room with a sense of says that. My second mother would give chastising when needed and that strength to fight off your fears with her words of wisdom. Sheron will be missed but we will never let her be forgotten as long as we breathe breath on this planet. Love ya Sheron may God keep you until we meet again.

Your forever daughter Gail.
