The moment that you died
my heart was torn in two.
One side was filled with heart ache
the other died with you.

I often lie awake at night

when the world is fast asleep,
and take a walk down memory lane
with tears upon my cheeks.

Remember you is easy
I do it every day.
But missing you is heartache
that never goes away.

I hold you tightly within my heart
and there you will remain
until the joyous day arrives
that we will meet again.

I love you, my daughter!

Love, your mother.
