“ I've known her since she was 15. We had some good times and some not so good but we were always there for each other. She was my maidron of honor in my wedding and my best friend. She will always be in my heart and when my time comes she will be there at the gate waiting for me. Love you Tracy.

“ I am sorry to hear of Tracy's passing. I am a long, lost cousin of Tracy's and I live in the upper Midwest in Minnesota, and I am so sorry I cannot make it to Tracy's life celebration. Those beautiful eyes and smile are two things about Tracy that I have not ever forgotten, even though it has been so many years since I have seen Tracy. God Bless Tracy in her new journey in everlasting life. I thank cousin, Darlene Kirk, for letting me know of Tracy's passing. Tracy was also related to me on my mother's side of the Tinch family. My mother was Frances, her dad's older sister.

“ Tracy is my cousin on my moms side of the family. We grew up next door to each other. Life of any party and that contagious laugh like her mom. Always been in my heart even through the distance. I'm going to miss you my dear cousin. Fly high and give the family in heaven hugs for me. Rest In Peace my precious cousin. Your loving cousin Darlene Kirk

“ My very deepest sympathy goes out to the family. Tracy was always a loving and happy person as a child! My family and Lynda and Tommy Jr. were all close when Tracy was growing up, I have many many happy memories of her and can remember all the good and funny times we had at our house or at hers! I know she is flying high with the angels; and knowing Tracy is smiling down on her beloved family. She is in no more pain and sure she is rejoicing with her Mom. She will always hold a special place in my heart. Rest in Peace and fly with the Angels! Love and sympathy to all the family and may God wrap his loving arms around you all.
