“ It was an honor to be William's caregiver for the last month I got to work with him. He was a very kind individual, and I enjoyed the conversations I had with him while watching movies. He will be missed, and I wish nothing but comfort for his family and friends during this time.

“ I will never forget the first day I met “paw paw”. He was such a gentle and caring person that loved his family and would always support them in any way needed. I will continue to pray for his entire family that God will give them comfort through this difficult time.
